COMBAT STRESS SUPPORT Group hosted by HSUMD. The Historical Society of the Upper Mojave Desert (HSUMD) has become a community center of activity that, among other things, recognizes and supports Veterans who have served our country. The ways HSUMD supports veterans are many and varied. They include the establishment of a Veterans Memorial Building that displays and honors the stories of our local Veterans and their service. They include hosting a monthly Veterans Breakfast for all Veterans and their spouses at the Historic USO Building. And HSUMD hosts a regular gathering of a Combat Stress Support Group. Every other Wednesday evening, starting at 1800 hours at the Veterans Memorial Building located at 230 W. Ridgecrest Blvd, the Combat Stress Support Group meets under the leadership of Dr. Jiselle Esparza. Exposure to traumatic combat and operational experiences affects service members and Veterans spiritually, psychologically, biologically, and socially. A Veteran with a good job, good social supports, and a healthy leisure routine may have an easier readjustment to civilian life. If you or a loved one thinks that they could benefit from coming to a meeting of this Support Group, please call John Abbott at 1-619-808-2223. TFN

Jewelry With ATTITUDE

811 N China Lake BLVD (760) 371 - 4249

Mammograms alone may not be enough to find breast cancer.

Every woman's breasts are different, just like every flower is different. Having dense breasts is normal. It just means your breasts have more tissue than fat.

Dense breasts make a woman up to six times more likely to develop breast cancer. And they make it challenging to detect cancer with a standard mammography exam.

Now in the Women's Imaging Center, the Invenia™ ABUS (Automated Breast Ultrasound System) improves cancer detection by 35% over mammography in women with dense breasts. Using 3D ultrasound, it looks at dense breasts differently to find cancer that mammography may not see. It's relatively comfortable, and it doesn't expose you to any additional radiation. The result: More confidence and peace of mind for you.

Call the Women's Imaging Center at 760.499.3820 to learn how only the GE Invenia ABUS can give you the definitive answers you need.

Brief Statement
The Invenia ABUS is indicated as an adjunct to mammography or breast cancer screening in asymptomatic women for whom screening mammography findings are normal or benign (BI-RADS® Assessment Category 1 or 2), with dense breast parenchyma (BI-RADS Composition/ Density 3 or 4), and have not had previous clinical breast intervention. The device is intended to increase breast cancer detection in the described patient population. The Invenia ABUS may also be used for diagnostic ultrasound imaging of the breast in symptomatic women. See the device manual for detailed information, contraindications, warnings, precautions, potential adverse events.

Sophie Hoffmann Wins $1,500 "Scholar Athlete of the Year" Scholarship

RIDGECREST, CA — Sherman E. Burroughs High School graduate Sophie Hoffmann has been honored as the 2016-17 "Scholar Athlete of the Year" by AltaOne Federal Credit Union and The Swap Sheet. The award ceremony took place at AltaOne's Corporate member service center in Ridgecrest. Approximately 50 students, family members, coaches, school administrators and AltaOne representatives attended the event.

Hoffmann receives a $1,500 scholarship courtesy of AltaOne and The Swap Sheet. A highly accomplished swimmer and a 4.0 student, Hoffmann is attending Cal Poly San Luis Obispo in the fall.

In addition, finalists Julia Enrst and Andrew Ostrom each earned $500 scholarships. Ernst was a standout cross country and track athlete; and Ostom excelled in cross country, track and soccer.

BURROUGHS HIGH SCHOOL SCHOLAR ATHLETE NOMINEES: (left to right) Caleb Washburn, Ryan Toler, Christopher Sherrick, Sophie Hoffmann, Katherine Koch, Andrew Ostrom, Tinoi Martin and Sidney Pollock.

AltaOne Vice President of Marketing and Business Development Ted Huntington served as master of ceremonies. Huntington commended all nominees and winners for their effort and dedication, while recognizing their parents' commitment to their children.

Burroughs High School Activities and Athletic Office Administrator Lori Cracraft coordinated the program on behalf of the high school.

Burroughs High School coaches nominated one athlete from their sport, based on their academic performance and team leadership. In addition, each of the chosen students wrote an essay on their future aspirations. An independent judging panel graded each nominee.
