It is our Realtors who make us different! Allow us to introduce each of them over the next few weeks...

Michelle has been in the valley for nearly 15 years, where she has made a home, and built a great Real Estate Business. Michelle has built a family here, has been married for 10 years and with four boys that keep her on her toes. She has been assisting people buy/sell homes here in Ridgecrest for the last nine years and for six years as a licensed agent. Prior to getting her license she acted strictly in a supportive role, and then fell in love with the business. It was the supportive role where she acquired all the necessary skills to thoroughly take someone through the buying/ selling process. She now is full time in assisting her clients buy/sell homes, and has assisted over 150 families realize their homeownership goals these past years.
