STRESS SUPPORT GROUP The Historical Society of the Upper Mojave Desert (HSUMD) has become a community center of activity that, among other things, recognizes and supports Veterans who have served our country. The ways HSUMD supports veterans are many and varied. They include the establishment of a Veterans Memorial Building that displays and honors the stories of our local Veterans and their service. They include hosting a monthly Veterans Breakfast for all Veterans and their spouses at the Historic USO Building. And HSUMD hosts a regular gathering of a Stress Support Group. on Tuesday evening, starting at 1800 hours at the Veterans Memorial Building located at 230 W. Ridgecrest Blvd, the Stress Support Group meets under the leadership of Dr. Jiselle Esparza. Exposure to traumatic combat and operational experiences affects service members and Veterans spiritually, psychologically, biologically, and socially. If you or a loved one thinks that they could benefit from coming to a meeting of this Support Group, please call for schedule & details. John Abbott at 1-619-808-2223. TFN

"REMEMBERING OUR FALLEN"
Tribute Towers of Post - 9/11 Fallen from The War on Terror

NATIONAL TOUR will stop January 3 to January 25 at The Kerr McGee Center, 100 W. California St. Ridgecrest Ca 93555

A very emotional exhibit, "Remembering Our Fallen" will soon be displayed at the Kerr McGee Center 100 W. California St. Ridgecrest CA 93555 to remind Americans of the ultimate sacrifice made by those who died from wounds suffered in Iraq and Afghanistan while wearing our country's uniform.

The memorial includes 30 Tribute Towers with military and personal photos of almost 5,000 of our nation's Fallen since 9/11/2001. This memorial was unveiled nationally at the steps of the Lincoln Memorial in Washington, D.C. on Thursday, September 7, 2017.

Organizers are still asking for help in contacting Gold Star families to include every single American who has died since 9-11-2001 in The War on Terror. There is no fee to families. We just ask that they visit the web site below and provide basic information and two photos for their Fallen loved one.

www.RememberingOurFallen.org

This national memorial also includes a Tribute Tower to recognize our service men and women who die from training accidents or attacks while stationed stateside or on our overseas bases. And those who return from war with the invisible wounds of PTS and succumb to suicide are included on a Tribute Tower to recognize the tragedy of PTS.

"We can never forget those who sacrificed everything for our freedom. We must remember these American Heroes and speak their names when we see their family members," said Bill Williams, Vice President and co-founder of Patriotic Productions, the non-profit responsible for this memorial. "This memorial is created to travel, stopping in cities and communities all across the nation so more people will have the opportunity to honor and remember our Fallen from one of the longest wars in our nation's history. We are thankful to Operation Family Fund for being the first to host this beautiful and somber memorial in 2018."

School Tours can be made available by contacting Operation Family Fund at support@operationfamilyfund.org. Stay tuned for more information with your local print media, social media and radio stations.

The Memorial may be viewed M-F 9 am to 9 pm, Sat. 8 am to 6 pm, Sun. 10 am to 5 pm.

A Directory of the Fallen, along with the tour schedule and additional information, are available at: www.RememberingOurFallen.org
