VETERANS PEER SUPPORT Group The Historical Society of the Upper Mojave Desert (HSUMD) has become a community center of activity that, among other things, recognizes and supports Veterans who have served our country. The ways HSUMD supports veterans are many and varied. They include the establishment of a Veterans Memorial Building that displays and honors the stories of our local Veterans and their service. They include hosting a monthly Veterans Breakfast for all Veterans and their spouses at the Historic USO Building. And HSUMD hosts a regular gathering of a Stress Support Group on Tuesday evening, starting at 1800 hours at the Veterans Memorial Building located at 230 W. Ridgecrest Blvd, the Stress Support Group meets under the leadership of Mr. John Abbott. Exposure to traumatic combat and operational experiences affects service members and Veterans spiritually, psychologically, biologically, and socially. A Veteran with a good job, good social supports, and a healthy leisure routine may have an easier readjustment to civilian life. If you or a loved one thinks that they could benefit from coming to a meeting of this Support Group, please call for schedule & details. John Abbott at 1-619-808-2223. TFN

Soaring to the Stratosphere - 76,000 Feet
with Jim Payne - Chief Pilot of the Airbus Perlan II Project
Wednesday, January 22, 2020 at 7 PM
Maturango Museum, Coso Room
100 E Las Flores Ave.
Free Public Admission!
Sponsored by:
American Institute of Aeronautics & Astronautics, China Lake Section & China Lake Museum Foundation

On 2 September 2018 Jim Payne and Tim Gardner flew the Airbus Perlan II aircraft to a new glider altitude record of 76,000 ft in a stratospheric mountain wave above the Andes in southern Argentina. The Society of Flight Test Engineers awarded the Perlan Project the Flight Test Team of the Year, and Jim Payne was named the Test Pilot of the Year.

Join us on January 22nd to hear Jim Payne tell us about the Airbus Perlan II project, the Perlan II aircraft and their historic flight from El Calafate in the Patagonian Andes. Visit *perlanproject.org* for more information.

Jim Payne started soaring at the Air Force Academy in 1971. He was Top Gun of his Aggressor class and a Distinguished Graduate of his USAF Test Pilot School class. Jim was awarded the 2001 Lilienthal Medal, the highest award given by the FAI for gliding. Jim is a member of the Soaring Hall of Fame, and has set 13 World Soaring Records and over 50 National Records.

Invest in your marriage!

Every marriage is guided by a set of habits. The question is: Are they healthy habits that result in a God-honoring and joyful marriage, or are they bad habits that lead to a self-centered and strained marriage?

That's why we are so excited to stream **Habits of a Healthy Marriage**, a **FREE** conference by pastor and best-selling author Paul David Tripp. If you are a married couple, an engaged couple, or a single person thinking about marriage, please make this a priority and invest in your marriage.

WHY PLAN AHEAD?
Peace Of Mind: Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.
Lower Costs: When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.
