What Our Customers Are Saying

We came to Jim Charlon Ford cause we don't like going to Bakersfield where we are just another body. Bob and Kenny gave us the personal service that is missing in so much of business today. We highly recommend Jim Charlon Ford to friends and family.

WHY PLAN AHEAD?

Peace Of Mind: Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.

Lower Costs: When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.

HOME CARE for people with COVID-19

Take care of yourself and your family

Limited Contact

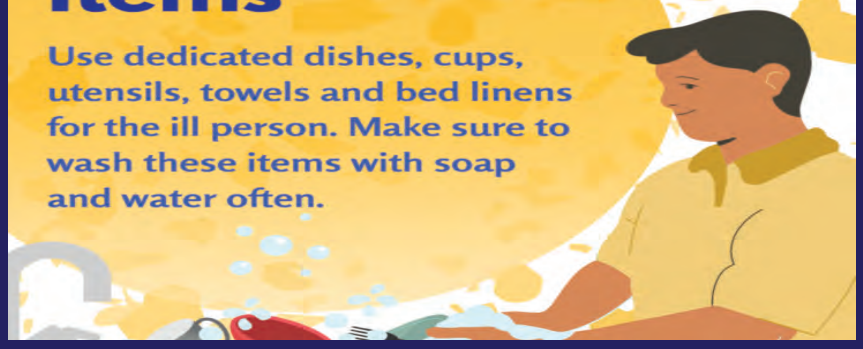
- If possible, have the person who is sick use a separate bedroom and bathroom.
- The person who is sick should eat (or be fed) in their room, if possible.
- Do not share dishes, cups/glasses, silverware, towels, bedding, or electronics

Protective Equipment

- The caregiver may wear a cloth face covering when caring for a person who is sick.
- Wear gloves when you touch or have contact with the sick person's bodily fluids.
- The person who is sick should wear a cloth face covering when they are around other people at home and out

Dedicated Items

Use dedicated dishes, cups, utensils, towels and bed linens for the ill person. Make sure to wash these items with soap and water often.



Wash Hands

- After any contact with the ill person or things they have touched
- If soap and water are not readily available, use a hand sanitizer
- Avoid touching your eyes, nose, and mouth with unwashed hands.

Cleaning Surfaces

Clean and disinfect surfaces that are frequently touched by the ill person daily.

Warning Signs

Call 911 or go to the ER immediately if they are having

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
