In-Shape is a dynamic club with expert staff, individualized and group classes... Specialized nutritional counseling, friendly staff, clean locker rooms, and free parking with nice restaurants... only a few feet away. Sky high windows (not horrifically narrow), new equipment and never any waiting for machines. This place is huge, spacious. In-Shape has diversity and greatness. It has been home for me for more than five years. I don't know anyone who hasn't made significant progress -- including me!

This is an unsolicited real review of In-Shape: Emeryville. A few words have been omitted to comply with trademark law. To see this review in full or read a review of your nearest club, check us out on
