WHY PLAN AHEAD?

Peace Of Mind: Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.

Lower Costs: When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.

THERE ARE HEROES AMONG US...

Brent Palmer is the President of the Friends of the Library. They had a lot of volunteers to put the library back together after the quakes. They actually had an excess of volunteers. So, he took it upon himself to ask those volunteers to help others in need. Brent made calls to find needy citizens and paired the volunteers with those in need. He is also bringing Acupuncturists Without Borders to Ridgecrest for those who need help dealing with quake stress. Brent spends his time helping where he can.

As a single 91 year old living alone in Ridgecrest, I am so thankful for friends and extended family. At the time of our earthquakes, my daughter who lives in Washington was thousands of miles away. My Ridgecrest daughter and her husband were in Georgia visiting family

there. During and immediately after the 6 plus quake I had My neighbor pounding on my door, taking me by the arm, and leading me out of a house of broken dreams and broken treasures. I had five neighbors come into my home and take out bags and bags of broken glass - all before they checked on their own homes! Traumatized, I slept in my chair by the front door - and the sound of more breaking glass just stopped me in m tracks, and I just screamed out loud, "I can't stay here. I cannot stay here!!" A car pulled up in front of my house. It was Janet Campbell a close "family" member. She calmly told me to pack a bag. That night 5 of us slept outside on the lawn. For three more nights Janet and I slept in the front room of Robert and Janet's home, and Robert was the "chief cook and bottle washer, they provided a calming surrounding for difficult days. Their daughter Brooke and her husband Sean also hosted a dinner. After bringing me home and assuring me that they would come back and get me at anytime, I found that my cooler had stopped. Brooke's husband Sean and his brother installed a new pump - a gift to me! Rotary has a motto: Service Above Self - how can I ever thank Joanna, Robert ann his brother, Robert & Janet Campbell, Brooke and Sean Smith. Sean's brother. Good and caring folks are out there!! By the way when my minister came to my door and fixed my water heater, I asked him how much he charged - He smiled and said "Two Dozen" Well anyone who know me knows what that means - Cookies !!

I was in the High Desert Haven when the big earthquakes hit. All the staff were extremely responsive. Evacuated then they cleaned up The mess in each room to be sure, there was no glass shards on the carpet. They are amazing.

"AltaOne FCU made a \$5,415 donation to the Ridgecrest Lions Earthquake Relief Fund. Their generosity will be able to help many families with groceries, supplies and assistance in getting back into their homes that were red-tagged." Earthquake Relief Donation, Ridgecrest Lions
