# **RIDGECREST and the INDIAN WELLS VALLEY**

Ridgecrest is a community where you'll find old-fashioned family values and a low-stress lifestyle, as well as unexcelled technical facilities and expertise.

We're located in the Indian Wells Valley, a high-desert setting framed by four mountain ranges, including the majestic Sierra Nevadas. Our town is know for its beautiful skies, excellent schools, safe neighborhoods, closeness to nature and proximity to the Naval Air Naval Weapons Division China Lake.

Serving as the trade and cultural center for more than 60,000 people, Ridgecrest has a rare combination of assets -- big-city amenities combined with a small-town atmosphere. Whether you come here to work, to retire or to play, Ridgecrest is a place you'll love to call home.

Some business are nationwide name brands easily recognizable by all, while others are smaller and locally owned offering quality one-of-a kind products or products rarely seen in big city markets. Many think this variety, offers

lower prices and quality customer service - the perfect blend for shopping.

Our convenient location near U.S. 395 and State Route 14 helps us function as the center of commerce for a large geographic area, as well as the gateway to the recreation and tourism opportunities of the High Desert and the Eastern Sierra.

Our climate is dry, with mild temperatures most of the year, summers can be very warm but balmy evenings with low humidity offer relief from the mid-day heat. About 3.5 inches of rain fall on our valley in an average year.

If your idea of fun is tennis, golf, horsehoes, backpacking or class 6 mountaineering, group activities or

getting off by yourself and learning about the world around you or simply relaxing...Ridgecrest and the surrounding areas have something to offer.

Nature at its best can be seen all over the surrounding area!

Welcome to the Valley!
