WHY PLAN AHEAD?

Peace Of Mind: Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.

Lower Costs: When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.

Household Hazardous Waste Collection Events in June

KERN COUNTY, Calif. – Kern County Public Works hosts monthly Household Hazardous Waste (HHW) Collection Events throughout the County. Residents can drive up and drop off their hazardous waste free of charge at any of these one-day collection events. HHW Collection Events are for residential hazardous waste only. Commercial or business waste is not accepted. Check out these one-day collection events in June:

- **Ridgecrest SWF:** 3301 W. Bowman Road: open the second and fourth Saturday of each month, from 10 a.m. to 1 p.m.

When traveling with HHW to any event or facility, it's important to practice safe transportation procedures. Please follow these safety guidelines:

- Transport no more than 15 gallons or 125 pounds of waste per trip, and no more than 5 gallons per single container.
- Make sure containers are not leaking and are properly labeled.
- Do not mix materials.
- Keep materials separated and away from passengers.

What is Household Hazardous Waste? Residential hazardous wastes are products, purchased for use in or around the home, that when improperly discarded, may threaten human health or the environment. These products include: household cleaners, deodorizers, personal hygiene products, pesticides, batteries (home & auto), fluorescent bulbs, herbicides, insecticides, pet care products, paint products, photographic chemicals, swimming pool chemicals, and automotive products & fluids. Even though a product can be easily purchased at the local store, it can still be harmful to you, your family, and the environment.

For more information on household hazardous waste, collection events, and guidelines, visit us at www.kernpublicworks.com/hazardous-waste and follow us on Facebook @KernCountyPublicWorks.

COLLABORATIVE DIVORCE LAWYERS

Ridgecrest now has Collaborative Attorneys for those who need a divorce but don't want the unnecessary anger, frustration or drama that comes with the emotionally charged litigation of family law, where mud slinging and the airing of dirty laundry are the norm.

When Collaborative Attorney's represent divorcing parties they get to keep things private, the costs are much less than with conventional divorces and the parties are better at co-parenting and resolving problems. Each party has their own Collaborative Attorney, who represents them and negotiates an amicable divorce.

Attorneys Charian I. Caesar, Chris Ogbuehi & Ed Ortega have a working relationship where they foster respectful cooperation of their clients to promote settlement.
