WHY ADVERTISE AT ALL?

No one can tell your
story like you can. During this
time of economic uncertainty,
we in the Indian Wells Valley
have seen no major layoffs or
reductions in forces from the
Base, our largest employer.

For the most part, we
have been shielded from the
recession. We, however have
not been immune to the fear
that seems to drive some of our
people's purchases.

Given that fact, we see
people still making purchases
of larger expensive items lo-
cally because this is a good
place to raise a family, to enter
a top rate school district and
find affordable homes of excel-
lent quality that are less expen-
sive than almost anywhere in
any metropolitan environment.

We have residents and
potential residents looking here
all the time. You must be in their
line-of-sight to realize your
maximum benefit, effective ad-
vertising that works does that.

Why Advertise In The Swap Sheet?

We are the only avenue for advertising wherein
realtor and many individual agents
advertise every week.

We are the only avenue for advertising wherein
EVERY auto dealer advertises every week.

When you have the two most expensive
purchases any family will ever make
advertised in one advertiser,
that speaks to the effectiveness of
your advertising dollar.

We want you to advertise consistently with us
because you see results - not because you have
signed a contract.

We had **301,767** hits online for the year 2022, thus
print and online advertising is effective.

We deliver Swap Sheets, in and out-of-town,
to all the hotels and motels in town to acquaint
new potential buyers with the area.

We are the largest advertiser in the Valley for only
one reason... Advertising in The Swap Sheet **WORKS!**
