**The Hot Rod Years**  
 Ridgecrest, California

It's all here — The Dead Ends, the Dust Devils, cruising China Lake Boulevard between Foster's Freeze and the A&M, the Yucca, racing on Tuna Hill, the crazy car stunts on Uggler and Bowman Road, the '57 Chevy that everyone wanted, why the Inyokern Drag Strip lasted as long as it did, dealing with local Law Enforcement, Deputy Sheriff's Max McKernan and Don Hodges, the full moon, Joe Fox, racing the Beach Boys, those pretty Navy guys... getting drafted, going off to Vietnam, and the early days of Ridgecrest.

## WHICH IS RISKIER?

**Rock climbing is risky.**

Not having life insurance to take care of your loved ones is riskier.

It means they would suffer financially if something happened to you. And that's a risk you don't have to take.

Life insurance is more affordable than most people think. The first step to getting coverage is easy.

## WHY ADVERTISE AT ALL?

No one can tell your story like you can. During times of economic uncertainty, we in the Indian Wells Valley have seen no major layoffs or reductions in forces from the Base, our largest employer.

For the most part, we have been shielded from the recession. We, however have not been immune to the fear that seems to drive some of our people's purchases.

Given that fact, we see people still making purchases of larger expensive items locally because this is a good place to raise a family, to enter a top rate school district and find affordable homes of excellent quality that are less expensive than almost anywhere in any metropolitan environment.

We have residents and potential residents looking here all the time. You must be in their line-of-sight to realize your maximum benefit, effective advertising that works does that.

## Why Advertise In The Swap Sheet?

We are the only avenue for advertising wherein realtor and many individual agents advertise every week.

We are the only avenue for advertising wherein **EVERY** auto dealer advertises every week.

When you have the two most expensive purchases any family will ever make advertised in one advertiser, that speaks to the effectiveness of your advertising dollar.

We want you to advertise consistently with us because you see results - not because you have signed a contract.

We had **301,767** hits online for the year 2022, thus our print and online advertising is effective.

We deliver Swap Sheets, to all the hotels and motels in town to acquaint new potential buyers with the area.

We are the largest advertiser in the Valley for only one reason... Advertising in The Swap Sheet **WORKS!**
