**WHICH IS RISKIER?**

**Rock climbing is risky.**

Not having life insurance to take care of your loved ones is riskier.

It means they would suffer financially if something happened to you. And that's a risk you don't have to take.

Life insurance is more affordable than most people think. The first step to getting coverage is easy.

## WHY PLAN AHEAD?

**Peace Of Mind:** Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.

**Lower Costs:** When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.
