**WHY PLAN AHEAD?**

**Peace Of Mind:** Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.

**Lower Costs:** When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.

**WHICH IS RISKIER?**

**Rock climbing is risky.**

Not having life insurance to take care of your loved ones is riskier.

It means they would suffer financially if something happened to you. And that's a risk you don't have to take.

Life insurance is more affordable than most people think. The first step to getting coverage is easy.

**VOLUNTEERS NEEDED FOR Tax-Aide Program**  
We are looking for compassionate and friendly volunteers to join our team for the upcoming tax season. We'll provide the training and support to help you learn new skills, and you'll get a great feeling from helping those in need. Each year over 35,000 Tax-Aide volunteers serve over 2 million people nationally. Last tax season, volunteers filed returns for over 200 taxpayers in the Ridgecrest area. Tax Counselors work with taxpayers by filing tax returns. Client Facilitators welcome taxpayers, help organize paperwork, and manage the overall flow of service. Technology Coordinators manage computer equipment, ensure taxpayer data is secure, and provide technical assistance to volunteers. We have a big demand for bilingual speakers in all roles. Please come to an Orientation Meeting to see if this is something you are interested in. You will have the opportunity to hear and talk about which volunteer position is best for you. All positions will attend additional training sessions. Some computer skills are required but training will be provided by experienced Tax-Aide volunteers. The program operates from February 1 through April 18 with a minimum service commitment of 10-12 hours per week. Training (40-80 hours) will be from December to February and is mostly online with some in-person help. Volunteers are reimbursed for mileage. Students may earn college credit. This year we will be able to interview taxpayers in person in Ridgecrest while complying with Covid protocols. If you are interested in volunteering,

please call 760-382-4488 or 760-446-9199. Leave your name and phone number and a good time for us to

call you. Our first meeting is scheduled for Monday, October 16 at 10am. More information and an online

application are available at [www.aarp.org](http://www.aarp.org). Contact info: Jan Bennett 760-382-4488
