WHICH IS RISKIER?

Rock climbing is risky.

Not having life insurance to take care of your loved ones is riskier.

It means they would suffer financially if something happened to you. And that's a risk you don't have to take.

Life insurance is more affordable than most people think. The first step to getting coverage is easy.

Give the gift of LIFE! Call us today!

VOLUNTEERS NEEDED FOR Tax-Aide Program We are looking for compassionate and friendly volunteers to join our team for the upcoming tax season. We'll provide the training and support to help you learn new skills, and you'll get a great feeling from helping those in need. Each year over 35,000 Tax-Aide volunteers serve over 2 million people nationally. Last tax season, volunteers filed returns for over 200 taxpayers in the Ridgecrest area. Tax Counselors work with taxpayers by filing tax returns. Client Facilitators welcome taxpayers, help organize paperwork, and manage

the overall flow of service. Technology Coordinators manage computer equipment, ensure taxpayer data is secure, and provide technical assistance to volunteers. We have a big demand for bilingual speakers in all roles. Please come to an Orientation Meeting to see if this is something you are interested in. You will have the opportunity to hear and talk about which volunteer position is best for you. All positions will attend additional training sessions. Some computer skills are required but training will be provided by experienced Tax-Aide volunteers. The program operates from February 1 through April 18 with a minimum service commitment of 10-12 hours per

week. Training (40-80 hours) will be from December to February and is mostly online with some in-person help. Volunteers are reimbursed for mileage. Students may earn college credit. This year we will be able to interview taxpayer-

ers in person in Ridgecrest while complying with Covid protocols. If you are interested in volunteering, please call 760-382-4488 or 760-446-9199. Leave your name and phone number and a

good time for us to call you. More information and an online application are available at www.aarp.org. Contact info: Jan Bennett 760-382-4488 IWTaxaide@gmail.com TFN

WHY PLAN AHEAD?

Peace Of Mind: Many who have undergone the emotional strain of arranging a funeral within hours of losing a loved one have made the choice to pre-plan their own funeral. Doing so lifts the burden from their loved ones by relieving decision-making pressure at a time of grief and emotional stress.

Lower Costs: When you finalize your plan, we can advise you of the total cost. You do not have to set aside funds for your plan, but doing so protects you against escalating funeral costs. By locking in today's funeral costs and ensuring that the necessary funds are set aside, you help relieve yourself of unnecessary future worry and your survivors of an unexpected expense.

WHY ADVERTISE AT ALL?

No one can tell your
 story like you can.

For the most part, we
 have been shielded from the
 economic uncertainty. We,
 however have not been im-
 mune to the fear that seems to
 drive some of our people's pur-
 chases.

Given that fact, we see
 people still making purchases
 of larger expensive items lo-
 cally because this is a good
 place to raise a family, to enter
 a top rate school district and
 find affordable homes of excel-
 lent quality that are less expen-
 sive than almost anywhere in
 any metropolitan environment.

We have residents and
 potential residents looking here
 all the time. You must be in their
 line-of-sight to realize your
 maximum benefit, effective ad-
 vertising that works - does that.

And we are the place!

Why Advertise In The Swap Sheet?

We are the only avenue for advertising wherein
 Realtors and many individual agents
 advertise every week.

We are the only avenue for advertising wherein
EVERY auto dealer advertises every week.

When you have the two most expensive
 purchases any family will ever make
 advertised in one advertiser,
 that speaks to the effectiveness of
 your advertising dollar.

We want you to advertise consistently with us
 because you see results - not because you have
 signed a contract.

We had **301,767** hits online for the year 2022, thus our
 print and online advertising is effective.

We deliver Swap Sheets,
 to all the hotels and motels in town to acquaint
 new potential buyers with the area.

We are the largest advertiser in the Valley for only
 one reason... Advertising in The Swap Sheet **WORKS!**
