**WHICH IS RISKIER?**

*Rock climbing is risky.*

Not having life insurance to take care of your loved ones is riskier.

It means they would suffer financially if something happened to you. And that's a risk you don't have to take.

Life insurance is more affordable than most people think. The first step to getting coverage is easy.

**VOLUNTEERS NEEDED FOR Tax-Aide Program** We are looking for compassionate and friendly volunteers to join our team for the upcoming tax season. We'll provide the training and support to help you learn new skills, and you'll get a great feeling from helping those in need. Each year over 35,000 Tax-Aide volunteers serve over 2 million people nationally. Last tax season, volunteers filed returns for over 200 taxpayers in the Ridgecrest area. Tax Counselors work with taxpayers by filing tax returns. Client Facilitators welcome taxpayers, help organize paperwork, and manage the overall flow of service. Technology Coordinators manage computer equipment, ensure taxpayer data is secure, and provide technical

assistance to volunteers. We have a big demand for bilingual speakers in all roles. Please come to an Orientation Meeting to see if this is something you are interested in. You will have the opportunity to hear and talk about which volunteer position is best for you. All positions will attend additional training sessions. Some computer skills are required but training will be provided by experienced Tax-Aide volunteers. If you are interested in volunteering, please call 760-382-4488 or 760-446-9199. Leave your name and phone number and a good time for us to call you. an online application are available at [www.aarp.org](http://www.aarp.org). # Crestwood Animal Hospital

Hosting Parties & Visitors- The following tips will reduce emotional stress on your pet and protect your guest from possible injury!

All pets should have access to a comfortable, quiet place indoors if they want to retreat away from the commotion

Inform your guests that you have pets so they can take any needed precautions (allergy meds, weakened immune system) to protect themselves

Pets that are nervous around visitors should be put in another room or crate with their favorite toy; if extremely upset, talk with your veterinarian
