## Cold Weather Precautions:

Feeding your pet a little bit more during cold weather months can provide much needed calories, as pets burn extra energy by trying to stay warm in wintertime. Also, make sure they have plenty of fresh water (not frozen) to drink, as this will help keep them well-hydrated and their skin less dry.

Keep Antifreeze out of reach from pets. Many types of antifreeze have a sweet taste that can attract animals. Keep antifreeze out of reach from your pets and clean up any spills right away to avoid antifreeze poisoning.

**Rock climbing is risky.**

Not having life insurance to take care  
 of your loved ones is riskier.

It means they would suffer financially  
 if something happened to you. And  
 that's a risk you don't have to take.

Life insurance is more affordable  
 than most people think. The first step

## The Best Hamburger Steak

- 2 large eggs
- 3/4 cup dry bread crumbs
- 2 envelope onion soup mix, divided
- Dash pepper
- 3 pounds ground beef
- 6 tablespoons all-purpose flour
- 2 3/4 cups cold water
- 3 teaspoon Worcestershire sauce
- 1.5 pounds Crimini mushrooms sliced
- 1 large onion thinly sliced

In a large bowl, combine the eggs, bread crumbs, 1 pkg. soup mix and pepper. Crumble beef over mixture and mix lightly but thoroughly. Shape into 4 - 6 patties.

In a large cast-iron or other heavy skillet, cook patties over medium heat until a thermometer reads 160°, and juices run clear, 4-5 minutes on each side.

Combine the flour, water, Worcestershire sauce and remaining soup mix until blended; stir into skillet. Brown onions and mushrooms add to sauce. Bring to a boil; cook and stir until thickened, about 5 minutes. Serve sauce with patties.

We like cooked buttered noodles or creamy mashed potatoes served with these steaks
