Cold Weather Precautions:

Check your Vehicle Before Starting your Engine. Parked vehicles can attract cats and small wildlife, which may crawl under the hood seeking warmth. Bang on your vehicle's hood to scare away animals before starting your engine.

Keep your home humidified and towel dry your pet as soon as they come inside. Pay special attention to their feet and in-between their toes.

Remove any snow balls from between their foot pads.

It means they would suffer financially if something happened to you. And that's a risk you don't have to take.

Life insurance is more affordable than most people think. The first step to getting coverage is easy.

NEEDED FOR Tax-

Aide Program We

are looking for com-

passionate and

friendly volunteers

to join our team for

the upcoming tax

season. We'll provide

the training and sup-

port to help you

learn new skills, and

you'll get a great

feeling from helping

those in need. Each

year over 35,000 Tax-

Aide volunteers

serve over 2 million

Last tax season, vol-

unteers filed returns

for over 200 taxpay-

ers in the Ridgecrest

area. Tax Counselors

work with taxpayers

by filing tax returns.

Client Facilitators

welcome taxpayers,

help organize paper-

work, and manage

the overall flow of

service. Technology

Coordinators man-

age computer equip-

ment, ensure taxpay-

er data is secure, and

provide technical

assistance to volun-

teers. We have a big

demand for bilingual

speakers in all roles.

Please come to an

Orientation Meeting

to see if this is some-

thing you are inter-

ested in. You will

have the opportunity

to hear and talk

about which volun-

teer position is best

for you. All positions

will attend addition-

al training

sessions. Some com-

puter skills are

required but training

will be provided by

experienced Tax-

Aide volunteers. If

you are interested in

volunteering, please

call 760-382-4488 or
