WHICH IS RISKIER?

Rock climbing is risky.

Not having life insurance to take care of your loved ones is riskier.

It means they would suffer financially if something happened to you. And that's a risk you don't have to take.

Life insurance is more affordable than most people think. The first step to getting coverage is easy.

The Best Roast Beef Sandwich

1/2 cup sour cream
1 tablespoon onion soup mix
1 tablespoon prepared horseradish, drained
1/8 teaspoon pepper
8 slices rye or pumpernickel bread
1 pound sliced roast beef
Lettuce leaves
sliced tomatoes
Thinly sliced red onions

When my roommates and I went to college we would go to
this deli and get the best roast beef sandwiches stacked
high the roast beef medium rare.

The man who owned the deli loved us because we came there atleast 3 nights a week and got this
giant sandwich for \$1.95 - does that tell you how long ago that was! We tried to copy it but when
we graduated he told us the secret was the onion soup mix.

Try it it will be wonderful! I liked the dark pumpernickel bread best!
