# Ridgecrest and the Indian Wells Valley

Ridgecrest is a community where you'll find old-fashioned family values and a low-stress lifestyle, as well as unexcelled technical facilities and expertise. We're located in the Indian Wells Valley, a high-desert setting framed by four mountain ranges including the majestic Sierra Nevadas. Our town is known for its beautiful skies, excellent schools, safe neighborhoods, closeness to nature and proximity to the Naval Air Weapons Station China Lake.

Serving as the trade and cultural center for more than 60,000 people, Ridgecrest has a rare combination of assets- big city amenities combined with a small-town atmosphere. Whether you come here to work, to retire or to play, Ridgecrest is a place you'll love to call home. Some business are nationwide name brands easily recognizable by all, while other are small and locally owned offering quality one-of-a-kind products or products rarely seen in big city markets. Many think this variety, offers lower prices and quality customer service- the perfect blend for shopping.

Our convenient location near U.S. 395 and State Route 14 helps us function as the center of commerce for a large geographic area, as well as the gateway to the recreation and tourism opportunities of the High Desert and the Eastern Sierra. Our climate is dry, with mild temperatures most of the year, summers can be very warm but balmy evening with low humidity offer relief from the mid-day heat. About 3.5 inches of rain fall on our valley in an average year.

If your idea of fun in tennis, golf, horseshoes, backpacking or class 6 mountaineering, group activities or getting off by yourself and learning about the world around you or simply relaxing... Ridgecrest and the surrounding areas have something to offer. Nature as its best can be seen all over the surrounding area!

*Welcome to the Valley!*

Your Move. Your Memories. Our Focus

# Your Hometown Realtor

Real estate is complicated. That's where I come in. At the closing table, my goal is for you to feel that the experience of selling your home exceeded all your expectations, so throughout our interactions- from listing to closing- I will work hard to achieve that goal.

When you choose me as your partner, you are not just getting a trusted, respected agent- you are getting a local expert who is passionate about serving our community and those who call it home.

Let's get started.

As we celebrate our 78th year in business serving this Valley, we are so grateful to be part of a caring community where we are small enough to know almost everyone and large enough to understand there are times we just want to be...

Disasters and community needs bring us all together as we try to meet all the needs both spoken and unspoken...

Celebrations of great events both large and small accomplish the same...

**The Businesses in Ridgecrest and The Indian Wells Valley  
go above and beyond to meet your needs,  
to find the products you want at the
