WHY ADVERTISE AT ALL?

Why Advertise In The Swap Sheet?

No one can tell your story like you can.

For the most part, we have been shielded from the economic uncertainty. We, however have not been immune to the fear that seems to drive some of our people's purchases.

Given that fact, we see people still making purchases of larger expensive items locally because this is a good place to raise a family, to enter a top rate school district and find affordable homes of excellent quality that are less expensive than almost anywhere in any metropolitan environment.

We have residents and potential residents looking here all the time. You must be in their line-of-sight to realize your maximum benefit, effective advertising that works - does that.

And we are the place!

We are the only avenue for advertising wherein the Realtors and many individual Agents advertise every week.

We are the only avenue for advertising wherein auto dealers advertises every week.

When you have the two most expensive purchases any family will ever make advertised in one advertiser, that speaks to the effectiveness of your advertising dollar.

We want you to advertise consistently with us because you see results - not because you have signed a contract.

We had 301,841 hits online for the year 2023, thus our print and online advertising is effective.

We deliver Swap Sheets, to all the hotels and motels in town to acquaint new potential buyers with the area.

We are the largest advertiser in the Valley for only one reason... Advertising in The Swap Sheet **WORKS!**

- 1 small plum tomato, peeled, seeded and diced
- 1/4 teaspoon salt
- 1/8 teaspoon crushed red pepper flakes
- 1 tablespoon each minced fresh basil, oregano, thyme and parsley
