## Swap Sheet, DI coming together to celebrate America's 250th

The Swap Sheet and the Daily Independent are coming together for a special project in honor of a momentous event: the 250th anniversary of the United States of America.

This once-in-a-lifetime publication will look back at America's origins, our journey over the ensuing 250 years to today, and what the future will look like.

We will also reflect on the vital role of the military, including the Navy and the Air Force, and the crucial role Naval Air Weapons Station China Lake and Edwards Air Force Base have played and how they are positioned to bolster the nation's strength in the future.

Readers will hear from local leaders, sharing their historical perspectives on this historic event, in addition to a look back and a look forward.

Advertisers will see their names in an enduring product that will be read for years to come. America only turns 250 once!

This special project will begin distribution in mid-June to celebrate America's 250th birthday on July 4, 2026.

## Swap Sheet, DI coming together to celebrate America's 250th

The Swap Sheet and the Daily Independent are coming together for a special project in honor of a momentous event: the 250th anniversary of the United States of America.

This once-in-a-lifetime publication will look back at America's origins, our journey over the ensuing 250 years to today, and what the future will look like.

We will also reflect on the vital role of the military, including the Navy and the Air Force, and the crucial role Naval Air Weapons Station China Lake and Edwards Air Force Base have played and how they are positioned to bolster the nation's strength in the future.

Readers will hear from local leaders, sharing their historical perspectives on this historic event, in addition to a look back and a look forward.

Advertisers will see their names in an enduring product that will be read for years to come. America only turns 250 once!

This special project will begin distribution in mid-June to celebrate America's 250th birthday on July 4, 2026.

Dear Customers:

I would like to introduce ourselves and tell you about *The Swap Sheet*. We were established in 1946 and have been in business continuously since that time. We have been around this block once or twice so we must be doing something right!

We are a weekly shopper and online by 7pm Tuesdays and out in print by 7pm on Wednesdays. In most cases, deadline is 5pm Tuesdays.

We have been in business so long because we are a unique paper/shopper. We appeal to all sorts of Valley-wide residents of every economic strata and thus the Valley's largest advertiser. If we were a newspaper we would almost be the Times. However, we do not offer news, we carry no opinion columns, we do not offer lovelorn advice nor do we print your horoscope. All we offer to the businesses and residents, is customers who are reading *The Swap Sheet* with one thing in mind, "How am I going to spend the money in my pocket this week?" Isn't it great to have already passed that hurdle?

Some business people think, advertising doesn't work or I am already busy why advertise. Look in *The Swap Sheet*, your competitor is advertising, probably week in and week out. They don't advertise because we are nice people, although we are. They don't advertise each week because they like spending money, although some may. They advertise week after week because ads in *The Swap Sheet* gets results. That is the best test of effective advertising - THE RESULTS!

Please look over this information and if we can be of any assistance, please ask. I sincerely appreciate your consideration.

Peggy Breeden  
Owner

Thank you for your business,  
We will honor that trust!
