Swap Sheet, DI coming together to celebrate America's 250th

The Swap Sheet and the Daily Independent are coming together for a special project in honor of a momentous event: the 250th anniversary of the United States of America.

This once-in-a-lifetime publication will look back at America's origins, our journey over the ensuing 250 years to today, and what the future will look like.

We will also reflect on the vital role of the military, including the Navy and the Air Force, and the crucial role Naval Air Weapons Station China Lake and Edwards Air Force Base have played and how they are positioned to bolster the nation's strength in the future.

Readers will hear from local leaders, sharing their historical perspectives on this historic event, in addition to a look back and a look forward.

Advertisers will see their names in an enduring product that will be read for years to come. America only turns 250 once!

This special project will begin distribution in mid-June to celebrate America's 250th birthday on July 4, 2026.
