**For All Your Fencing, Wrought Iron, & Garage Door Needs!**

So many people have told us they have never been in before and were uncertain whether they would like Mediterranean food. They were surprised they did! So we have been asking folks to tell others and here are some. Come see for yourself.

I love Mediterranean food especially when it is hot out. Was very hungry when I arrived at Classic Gyros. I ordered the Mixed Kabob plate. It was excellent. Plenty of steak and chicken and I love the way it was cooked. I had it with Greek salad and couscous. I like that they make pearl couscous. It comes with hummus and a large pita bread. They have a nice selection of side sauces to try. I love tzatziki so I had that. Next time I think I will try the chicken shawarma with pita wrap. They also have fresh juices, milk shakes and baklava. Baklava was nice for dessert. The restaurant is newer and nice and the service was friendly and helpful. They have nice Mediterranean music playing. Great experience. Will be back soon. CiCi C.
