So many people have told us they have never been in before and were uncertain whether they would like Mediterranean food. They were amazed they did! So we have been asking folks to tell others and here are some. Come see for yourself.

I was sure I would not like it and never tried it. just drove on by. I love the burgers but... So i did and was amazed. I loved the humus the jalapeño and cilantro was the best. The plain was good but I did not love it. The chicken kabobs were out of the world. Tender tasty and cooked perfectly. I have tried more things and excited to try something different each week! Thanks for urging me to try these. P.B.

*Reliable • Friendly • Precise*

I am Barb Hill and I love working with small businesses. Most owners don't start a business because they love bookkeeping. When you're busy serving customers and putting out fires, the numbers can slip to the bottom of the list. But when your books aren't current, decision-making gets fuzzy: pricing, cash flow,

taxes, hiring, and growth plans all get harder. Over time, that lack of visibility can quietly reduce profitability and the long-term value of the business.

My approach is simple: keep your records accurate, your reporting understandable, and your month-to-month picture consistent - so you always know where you stand and can confidently make next-step decisions!

### Cucumber Salad sweet and spicy

#### Ingredients

- 5 - 8 firm small baby cuculners sliced
- Kosher salt
- 3 tablespoons vegetable oil
- 1 large shallot, thinly sliced into rings (about 1/2 cup sliced)
- 2 limes, zested, plus 3 tablespoons lime juice
- 1 tablespoon Chinese black vinegar
- 1 teaspoon grated ginger
- 1 teaspoon soy sauce
- 1 teaspoon sugar brown sugar
- 1 1/2 teaspoons toasted sesame seeds
- 1 red Thai chile finely minced
- 1/2 small seedless watermelon, peeled and cut into 1/2-inch cubes 3 cups
- 3/4 cup lightly packed fresh cilantro leaves chopped
- 1/2 cup lightly packed fresh mint leaves chopped

Slice cucumbers in strips and cut in half lengthwise. Toss together the cucumbers and 2 teaspoons salt in a medium bowl. Let sit at room temperature until the cucumbers have released some liquid, about 1 hour. Meanwhile, add the neutral oil and shallots to a medium saucepan over medium-low heat. Cook, stirring occasionally, until the shallots are mostly browned, about 6 minutes. Set aside to cool. When the shallot oil mixture is cool, stir in the following ingredients in this order: the lime zest, Chinese black vinegar, ginger, soy sauce, sugar, 1 teaspoon of the sesame seeds, the red chile and lime juice until the sugar is dissolved; set aside. Drain the cucumbers and dry them with a paper towel. Toss the cucumbers, watermelon, cilantro and mint in the lime-soy dressing and transfer to a plate. Garnish with the remaining toasted sesame seeds and additional cilantro and mint if desired.
