Water for the Future

Paid For By: Saint-Amand For Director Indian Wells Valley Water District 2018- #1412208

CANDIDATE'S QUALIFICATIONS: I was first elected to the Indian Wells Valley Water District Board of Directors in November 2018 and re-elected in 2022. I have served twice as Board President, once in 2022 and again in 2025. I currently serve as Vice President and am the Water District's representative to the Indian Wells Valley Ground Water Authority. I am a life-long resident of the Indian Wells Valley and a 1980 graduate of Burroughs High School. I have a B.A. in Geology from the University of California at Santa Barbara. I am married to Cheryl Saint-Amand, a retired Program Manager for the Department of the Navy.

After college, I worked as a Geologic Consultant with my father, the late Dr. Pierre Saint-Amand. I then worked for Department of Defense contractors, ultimately as the DCS Corporation Section Manager. I joined the Civil Service in 2009 as a Program Management Consultant, retiring from China Lake in June of 2024 after thirty years as both a contractor and a Civil Servant.

I am a member since July of 2000 and past president of the Rotary Club of China Lake, and a past President of the local Footprinters Chapter 60.

Dare To Compare...

Our portions have been designed mindfully with prices that are reflective of the top shelf quality product we provide - best quality ingredients with superior environment, cocktails and service.

Many restaurants attempt to obscure their customer's value perceptions with unnecessarily large portions while using lower quality ingredients resulting in substandard food, drinks, environment and bad service.

We respectfully encourage all customers to probe the restaurants they frequent with questions about the meat grades and other related products they purchase and ultimately serve you.

After a through investigation, you will undoubtedly understand why Cactus and Flame is becoming the Mojave Desert's destination for fine dining, artisanal cocktails, fine wines and a rare beer oasis.

We are defined by our quality products and supreme meals. Service always above and beyond, is our goal!

It all starts with the food we purchase - nothing but the best, our talented chefs, and a wide variety of drink & wine choices!

We put no one else down - there is no reason to do so - one taste is all it will take.

Our floor plan and seating is ideally versatile, making us the only venue that can accommodate small & large parties, celebratory events, including company gatherings, weddings, and birthdays.

Our picturesque garden patio makes gourmet outdoor dining a reality for the desert landscape loving locals and travelers. Most items are priced in the \$20 range. While still allowing you to splurge on those special nights out when you want tender top quality certified Black Angus steaks that are unique to Cactus & Flame! Come see for yourself..

Scalloped Potatoes - Slow Cooker

1 tablespoon butter, at room temperature
1 cup heavy cream
3/4 cup chicken broth
4 tablespoons all-purpose flour
1 tablespoon fresh thyme leaves, chopped
1.2 cup diced onions
2 1/2 pounds potatoes, peeled and sliced
2 cups grated Gruyere cheese (about 2 cups)
Kosher salt and freshly grated black pepper
Rub the insert of a 6-quart slow cooker very lightly with the butter on the bottom and 2 inches up the sides.

Whisk together the cream, broth, flour and thyme in a 2-cup measuring cup.

Arrange 1/3 of the sliced potatoes in an even and slightly overlapping layer on the bottom of the slow cooker insert. Sprinkle 1/3 of the Gruyere over the potatoes, 1/2 of the chopped onions and add 3/4 tea-spoon salt and an even grating of black pepper. Drizzle 1/3 of the cream mixture evenly over the layer. Repeat with 2 more layers of potatoes, chopped onions Gruyere, salt, pepper and cream mixture.

Press the potatoes down firmly to make sure they are submerged. Cover the slow cooker, and cook on high until the potatoes are tender and the liquid has thickened, 4 1/2 to 5 hours. Remove the lid, and let the potatoes rest for 15 minutes to allow the sauce to thicken
