Water for the Future

Paid For By: Saint-Amand For Director Indian Wells Valley Water District 2018 #1412269

Candidate's Statement: I am the Vice-President of the Board of the Water District. I have a B.A. in Geology from U.C. California Santa Barbara, and a background in Program Management.

The Indian Wells Valley Water District is responsible for providing safe, reliable, and reasonably priced water to our customers. At the present time, there is a great deal of financial and regulatory pressure on the District from outside organizations and the District is working hard to address these challenges. If re-elected to the Board, I will continue to apply my strengths as a leader and geologist to meet these challenges appropriately and ensure that District operations remain efficient and effective. I will work hard to control costs while supporting the proper maintenance and improvements necessary for serving our community today and in the future. I will continue to look for innovative and practical solutions for addressing our valley-wide ground water issues, focusing on those solutions that can achieve a result that is as fair and affordable as possible for all stakeholders.

It has been an honor to represent the interests of our customers for these past eight years. I have been and will remain committed to serving with transparency, integrity, and fairness.

Vote Saint-Amand for Indian Wells Valley Water District! remain committed to serving with transparency, integrity, and fairness.

Curry Coconut Chicken

1 1/2 lb. boneless, skinless chicken thighs,
cut into 1-inch pieces
4 tsp. sweet paprika
2 tsp. ground turmeric
2 tsp. curry powder, divided
Kosher salt and black pepper
1 Tbsp. canola oil
1 medium yellow onion, chopped
2 cloves garlic, sliced
1 cup chicken stock
1 Tbsp. cornstarch
1 (13.5 ounce) can coconut milk
1/8 to 1/4 tsp cayenne pepper

Served with cooked rice, fresh cilantro,
toasted cashews, and lime wedges, for serving

Combine chicken, paprika, turmeric, and 1 teaspoon curry powder in a bowl.
Season with salt and pepper. Chill at least 2 but no more than 8 hours.

Heat oil in a medium pot over medium heat. Add onion and garlic. Season with
salt and pepper. Cook, stirring occasionally, until onion is tender, 8 to 10 mi-
nutes. Add stock and chicken. Cook, partially covered, until chicken is tender
and cooked through, 18 to 20 minutes. Remove 2 tablespoons liquid from the
pot. Stir cooking liquid and cornstarch together in a bowl until combined. Add an
additional 1/4 cup cooking liquid and stir to combine. Add cornstarch mixture
and coconut milk to pot. Cook, uncovered, until slightly thickened, 4 to 6 mi-
nutes. Stir in cayenne and remaining teaspoon curry powder. Season with salt
and pepper.

Serve over rice top with cilantro, cashews, and lime wedges alongside.

Our portions have been designed mindfully with prices that are reflective of the top shelf quality product we provide - best quality ingredients with superior environment, cocktails and service.

Many restaurants attempt to obscure their customer's value perceptions with unnecessarily large portions while using lower quality ingredients resulting in substandard food, drinks, environment and bad service.

We respectfully encourage all customers to probe the restaurants they frequent with questions about the meat grades and other related products they purchase and ultimately serve you.

After a through investigation, you will undoubtedly understand why Cactus and Flame is becoming the Mojave Desert's destination for fine dining, artisanal cocktails, fine wines and a rare beer oasis.
