We are defined by our quality products and supreme meals. Service always above and beyond, is our goal!

It all starts with the food we purchase - nothing but the best, our talented chefs, and a wide variety of drink & wine choices!

We put no one else down - there is no reason to do so - one taste is all it will take.

Our floor plan and seating is ideally versatile, making us the only venue that can accommodate small & large parties, celebratory events, including company gatherings, weddings, and birthdays.

Our picturesque garden patio makes gourmet outdoor dining a reality for the desert landscape loving locals and travelers. Most items are priced in the \$20 range. While still allowing you to splurge on those special nights out when you want tender top quality certified Black Angus steaks that are unique to Cactus & Flame! Come see for yourself...

Dare To Compare...

Our portions have been designed mindfully with prices that are reflective of the top shelf quality product we provide - best quality ingredients with superior environment, cocktails and service.

Many restaurants attempt to obscure their customer's value perceptions with unnecessarily large portions while using lower quality ingredients resulting in substandard food, drinks, environment and bad service.

We respectfully encourage all customers to probe the restaurants they frequent with questions about the meat grades and other related products they purchase and ultimately serve you.

After a through investigation, you will undoubtedly understand why Cactus and Flame is becoming the Mojave Desert's destination for fine dining, artisanal cocktails, fine wines and a rare beer oasis.
