I am running for re-election to the Board of Directors of the Indian Wells Valley Water District.

My top 3 priorities are to:

- Control Water District costs while ensuring the proper maintenance and improvements necessary for serving our rate payers now and in the future
- Look for innovative and practical solutions for addressing our valley-wide ground water issues
- Focus on those solutions that can achieve a result that is as fair as possible for all stakeholders

On November 3rd, vote for affordable water - David Saint-Amand!

Halloween Safety Tips for Pets

NO SWEETS FOR YOUR SWEETIE
Keep your pets away from candy (especially chocolate); avoid placing bowls on the ground.

KEEP PUMPKIN AWAY FROM THE PUMPKIN
Decorative plants can be toxic candle-lit jack-o'-lanterns are fire hazards if tipped over.

COSTUMES ARE OPTIONAL
Don't force on an unwanted costume. Most pets prefer birthday suits.

NO TRICK OR TREATER GREETERS
The front door is a high traffic area. Doorbells and knocks can upset even the friendliest pets.

MUST SHOW I.D.
Spooked pets can get lost. Microchip and tag them in case they get out.

PARTY POOPERS ARE OK
Some pets are happier in a quiet room away from the party.

Pop Corn Balls for Halloween

Ingredients

4 tablespoons salted butter
1 package (10 ounces) mini marshmallows
1 2/3 cup white baking chips, divided
2 tablespoons Cinnamon Sugar
10 cups popped popcorn
1/4 cup Halloween Sprinkles

Directions

Melt butter in large saucepan on low heat.
Add marshmallows; cook and stir just until
melted.

Remove from heat. Stir in 2/3 cup of the
baking chips, sprinkles and Cinnamon
Sugar. Immediately stir in popcorn, mixing
gently until evenly coated. Let popcorn
mixture stand just until cool enough to han-

dle.
Lightly grease hands with cooking spray. Shape popcorn mixture into
about 16 balls (1/2 cup each). Sprinkle all over with Finishing Sugar.
Place on parchment lined baking sheet to cool completely.

Melt remaining 1 cup baking chips as directed on package. Pierce one
popcorn ball with a fork or skewer to use as a handle. Dip tines of a
separate fork into the melted chocolate and drizzle over the ball, turning
as you drizzle to create a spiderweb effect. Repeat with remaining balls.
Allow chocolate to set. Wrap leftover popcorn balls individually with
plastic wrap and store in an airtight container.

Dare To Compare...

Our portions have been designed mindfully with prices that are reflective of the top shelf quality product we provide - best quality ingredients with superior environment, cocktails and service.

Many restaurants attempt to obscure their customer's value perceptions with unnecessarily large portions while using lower quality ingredients resulting in substandard food, drinks, environment and bad service.

We respectfully encourage all customers to probe the restaurants they

frequent with questions about the meat grades and other related products they purchase and ultimately serve you.

After a through investigation, you will undoubtedly understand why Cactus and Flame is becoming the Mojave Desert's destination for fine dining, artisanal cocktails, fine wines and a rare beer oasis.
